The Friends of Epworth Palate Party

The Friends of Epworth are proud to announce the 6th Annual Friends of Epworth Palate Party to benefit Epworth Children's Home on Saturday, March 10, 2018 at Hay Hill Market in Columbia. As the signature event for the Friends of Epworth, the event raises awareness and funds for Epworth and the children who call Epworth home.

Most children in our community have all they need and more. This makes it possible for them to dream big, knowing that someone along the way will help them reach their goals - but not all children are so lucky. The children at Epworth come from environments where poverty, neglect and abuse derail childhoods. Instead of dreaming of bright futures, these children face daily nightmares. Thankfully, their lives and dreams transform by the love, security and care given to them at Epworth.

The buzz around town is that the Palate Party is already earning the reputation as the "Best Food and Wine Party in Columbia." We expect 2018 to be the biggest party yet! Attendees come ready for a good time. The event includes live music, a large dance floor, an elevated menu to please the most discerning of palates, wine pairings for each menu item, and an open bar for all guests.

Join us for a night of fun as we celebrate the promise of bright futures for children at Epworth.

The Friends of Epworth

The Friends of Epworth believe that local communities should support all of its members, particularly children who are vulnerable and voiceless. The Friends of Epworth is a group of professionals and community leaders committed to supporting the children who call Epworth home by expanding the network of Friends and hosting fundraising events.

The Friends of Epworth is a registered 501(c)3 founded in 2012. Its mission is to enrich the lives of children by raising undesignated funds to be given to Epworth Children's Home. Through its work, community members become aware of the community needs served by Epworth and are provided with opportunities to become involved in and support Epworth Children's Home and the children it serves.

Epworth Children's Home

For more than 120 years, Epworth Children's Home has grown and adapted to the individual needs of children by providing quality care grounded in faith and responsibility for our neighbor. Established in 1895, Epworth Children's Home is located on 32 peaceful acres in the heart of Columbia, South Carolina.

Children come to Epworth from around the state, but mostly from the counties in the Midlands, through private and government placements. Each placement is the result of a fractured family system where children have experienced abuse, neglect or significant loss. Over 60 staff members surround nearly 80 children with an array of comprehensive services that meet their emotional, physical, educational and spiritual needs. Much care and expertise go into assessing the strengths and needs of each child. An individualized plan is developed for each child as staff, counselors and volunteers work together toward healing the child's pain and breaking the cycle of abuse, neglect and shame.

The generous financial support of those who have come before and those who partner with Epworth each day are combined to help provide the daily needs of a safe and nurturing environment for the children on campus. Each year, nearly 70% of the general operating budget to provide care to the children is the result of generous giving by individuals, groups, churches and businesses in our community.
